Welcome to Bohemiaz

Resort & Spa Kampot

Hello,

My name is Michelle, I'd really like to welcome you to Bohemiaz, I appreciate that there are many choices when looking for accommodation or restaurants in Kampot, so firstly, thanks for choosing us!

I decided to quit the English rat race back in 2013 and move to Cambodia to set up a hotel. On hearing the news, my not so traditional dad Brian, decided to move with me and hence the idea of Bohemiaz was born.

So in 2013 we came over to have a look around Cambodia. Our first stop was Phnom Penh where we met the charismatic Meta. Meta suggested to me that we come and look at Kampot as a possible destination to open up our guest house, well....it was love at first sight! On getting off the bus something just clicked, and my dad and I both knew that this was where we wanted to make our new home and business.

Several months later we moved our lives and cats to Kampot. A few months after that we opened Bohemiaz. Meta ended up helping me set up Bohemiaz and is still a great friend to this day, we are literally living our dream. We really love Kampot and we hope you enjoy yourselves in this town as much as we do. Last year we finished building our new spacomplex, our therapists have been trained at a top spa in Phnom Penh and together we have created a range of luxurious treatments.

I'm a firm believer that any hotel or business is only as good as its staff, and I am so lucky in the fact that I have the most amazing team here at Bohemiaz. Firstly we have our bar manager Ry who is always there with a cheeky smile or sarcastic comment. Working alongside her is our newest family members Kay and Phea who are always happy to help where ever they can. Our kitchen is headed up by the very talented Head chef Heng. Oi, Ly & Yan all work incredibly hard with Heng, these amazing girls make everything from scratch from the bread and wraps to cereals, sauces, marinades and even our home cured bacon. Our beautiful therapists Hayang and Srey Nee give the most fantastic massages and leave you ready to take on the world (my favourite is the hot stones!). Yanee and Net keep the place spotlessly clean, and never stop, from picking up leaves to painting rooms and doing laundry! Gor, Kom & Wee are our maintenance men and they and our happy tuk tuk driver Matt keep the gardens looking lush and have the most creative ways to fix things that go wrong!

Please note that not all of our staff speak English perfectly. Here we are trying to develop our staffs individual skills rather than employ people who know everything already, so if they don't understand straight away please be patient with them whilst they get someone to help you.

Last but not least our swimming pool is a natural pool, the water is clean and completely safe, and is coloured on purpose as part of our clever natural filtration design. If you would like to learn more about natural pools there is information about ours on the table by the pool, or feel free to ask me or my dad for more info.

Much love

Thank you again for choosing to stay at Bohemiaz, if you have any suggestions or comments on how we could improve things here please do share with us. We'd also welcome the opportunity to put anything right that you are not happy with, so if something is not quite right please let us try and fix it for you. If you have enjoyed your stay we'd love a review on Trip advisor, we always share with the staff so if someone made your stay that extra special please let the world know, it makes their day!

Michelle & Brian

The perfect way to spend the early evening. The boat leaves from Kampot town at 5pm, please make sure you arrive in plenty of time so you can get a good seat!

Lay back and watch the world go by as you cruise down the river. Wave at the fishing boats going out to sea & take in the breath taking scenery. After an hour the boat stops and you can jump in for a swim to cool down. Watch the sunset whilst the boat has stopped and then keep an eye out for the fireflies on the way back to town. The tour lasts 2-2½ hours, great value for \$5.

Bohemiaz Tip - I may sound slightly crazy now, but....It can get a bit chilly on the way back when the sun's gone in, especially if you jumped in the river, so take something warm!

Pick up from Bohemiaz and travel up to the Bokor National park. Visit the old royal residence, then head up to the top of the mountain and visit the bokor palace, church, ranger station and take in the beautiful views.
